Circular

The Government of India is observing Swachh Bharat Abhiyan day on 2nd October, 2018 on the eve of Gandhi Jyanti.

The Govt. of Punjab Health & Family welfare department has also decided to observe the Swachh Bharat Abhiyan in Punjab, being health aware department.

The Punjab Medical Council being a prime body of health professionals in the state; feels that the participation of medical professionals can contribute more for the awareness of people. All the medical practitioners registered with Punjab Medical Council should participate in this event to create awareness among the people in Punjab. Therefore to give cleanliness (in and around the Dispensaries / Clinics/ Hospitals/ Institutions) the prime importance and to observe the National Day being a matter of Ethical concern; All the Doctors and Medical Institutions/ Hospitals are desired to celebrate the 2nd October, 2018 as cleanliness day and encourage participation of staff and the people on that Day and motivate them for Swachh Bharat Abhiyan.
